

Ethology, Ecology & Evolution has established an award of **500 euro** for the best **review article** published during 2012 (Volume 24). Don't miss this opportunity! *Authors must be under 35 years old, a confirmation email should be sent to the editor on acceptance of the paper.*

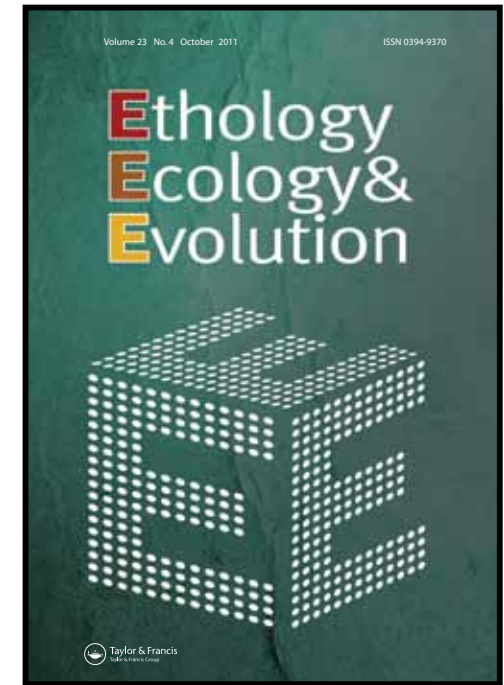

Articles should emphasise the significance of the research for understanding the function, ecology, evolution or genetics of behaviour. Contributions are also sought on aspects of ethology, ecology, evolution and genetics relevant to conservation.

Submissions:

All submissions should be made online at the *Ethology Ecology & Evolution* ScholarOne Manuscripts™ site: <http://mc.manuscriptcentral.com/tee>

Please visit the 'Instructions for Authors' at www.tandfonline.com/tee for more information.

2010 Impact Factor: **0.571**
Five-Year Impact Factor: **0.797**
