

Accounting Education: an international journal

The Official Education Journal of the IAAER

AE/IAAER OUTSTANDING REVIEWER AWARDS, 2009

In 2007 it was agreed by the Executive Committee of the International Association for Accounting Education and Research, and the Editorial Group of *Accounting Education: an international journal*, that up to three awards would be made each year to reviewers whose contributions in the year were deemed outstanding. The aim is to recognise the valuable contribution which AE's reviewers make via their encouragement of excellence in the scholarship of accounting education.

Each of AE's Associate Editors and Guest Editors was invited to nominate one reviewer (using a set of specific criteria), with IAAER's Editorial Consultant (Professor Gary L Sundem) and AE's Editor (Professor Richard M S Wilson) acting as judges. The winners for 2009 are (in alphabetical order):

*Elaine Evans
Macquarie University
Australia

*Thomas J Phillips, Jr
Louisiana Tech University
U.S.A.

*Gregory N Stoner
University of Glasgow
Scotland, U.K.

Each winner will receive an inscribed certificate – and hearty congratulations from the AE team and the IAAER Executive Committee.
